Vermont Gameplan Insights

Vermont Offense

- Like to post up (82.2 percentile) and do it at an efficient level (86.8 percentile)
- Only shot that is inefficient is the dribble jumper where they are in the 37.8th percentile in efficiency
- Attack and kick at an extremely high rate (around 90th percentile in frequency)
- Utilize the pick and pop

Zone Idea - Mirror Merrimack's Unique Zone

Merrimack 2-3 Defense (Season)

- Merrimack: The Unconventional Zone Defense
- Excellent 3 point defense
- Teams take minimal attempts from rim attack and attack & kick plays, the two areas where Vermont found success against us
